**🌳 Touristic Visit**

🕒 From 13:00

**Organisationnel Notes**

- All participants must wear their printed badges at all times during the seminar; strict adherence to the schedule is required.
- Each session includes presentations followed by a discussion period; poster sessions run in parallel with oral sessions.
- Posters will be presented in digital format on display screens; poster presenters must be present during their assigned session.
- Consistency in formatting and language must be ensured throughout the program.
